LA CREATIVITÀ PER L'AMBIENTE
CREATIVITY FOR ENVIRONMENT

Il riuso per illuminare con sostenibilità.

Reuse to light up with sustainability.

Da bottiglie di plastica usate ri-produciamo i paralumi Curl, Flowers, Cube, People e Bloom. Sono semplici da montare e facili da pulire, si adattano a interni e ad esterni, all'antico e al moderno.

/ From used plastic bottles we re-product the lampshades called Curl, Flowers, Cube, People and Bloom. They are simple to assemble and easy to clean, fit in interior and exterior, antique and modern.
